PUBLIC NOTICE

ONLINE MANAGEMENT IN CANTONMENT BOARD.

It is for the information of the general public that the Cantonment Board Pune has taken a step towards e-governance to ensure online services (E-Chawwani Unified Portal), for all 62 Cantonments.

The aim of the portal is to reduce the requirement of public to physically visit the Cantonment Board office. To start with trade licence facility is being provided. In the meanwhile, a separate citizen centric application on M-Collect module is being developed. With facility for online payment for booking of Marriage Halls, Community Centres etc. Subsequently, services like building plans, mutation, water connection etc would also be integrated. The e-chawwani portal would be functional from 01st Aug, 2020.

For further information, public may visit Cantonment Board website on www.punecantonmentboard.org.
